

What's New at Astro Craft?

Effective in January 2012, Astro Craft expanded its office staff adding a new Customer Service/Sales Manager position. Having an extensive background in Sales Management and Marketing, Dick Doyle was hired to lead this new venture.

With his wealth of knowledge and experience in this area, Dick will augment Astro Craft's existing strengths within the industry that it serves. His primary roll will be to improve customer relations and service levels with Astro Craft's core customer base. In addition, Dick will focus on new specialty channels that will allow Astro Craft to further capitalize on its business strengths.

This added level of commitment is another example of how Astro Craft strives to find new ways of providing the highest quality service to its customers.
